Resale Notification dated the 1st June 1937.

It is hereby notified for general information that the exclusive right of collecting the Minor Forest Produce on all Government unoccupied lands, Amrit Mahal Kavals, State Forests, Reserved lands and Plantations of the undermentioned Taluks and Sub-Taluk, from the date of confirmation of the sale to 30th June 1938, will be resold at 3 P.M., on Friday, 25th June 1937, by the Deputy Commissioner, Mysore District, or other Officer deputed by him at his Court Hall, Mysore, at the risk of the original purchasers, subject to the conditions of the detailed Notification No. D1-121-1209—35-36, dated 4th May 1936, since the original purchasers have failed to remit the 2nd khist of the lease amount due on 1st May 1937 :—

1. Heggaddevankote Taluk.
2. Hunsur Taluk.
3. Krishnarajanagar Taluk.
4. Periyapatna Sub-Taluk.

Notification dated 20th June 1937.

Sealed tenders are invited for the supply of junglewood fuel from Veeranhosahalli and Doddaharve State Forests in Hunsur Range of Mysore District, for use in Tobacco Barns at Hunsur and Periyapatna.

2. The tenders should be addressed to the District Forest Officer, Mysore District, so as to reach him on or before 2 P.M. on 3rd July 1937. Any tender received after the above time and date will not be taken notice of.

3. Each tender should be accompanied by an earnest money deposit of Rupees two hundred in currency notes in the case of supply of Hunsur and Rupees one hundred in currency notes in the case of supply to Periyapatna and should be registered, insured and superscribed as "Tender for firewood supply to the Tobacco Barns at Periyapatna or Hunsur" as the case may be. Tenders should be submitted separately for supply to Hunsur and Periyapatna.

4. The right of accepting or rejecting any tender vests in the Chief Conservator of Forests in Mysore, who is not bound to assign any reason for accepting or rejecting the lowest or any tender.

5. The fuel to be supplied is to be felled in the State Forest coupes noted below, only trees indicated by the Department being felled and cut into firewood billets.

Range	Name of Forest	Name of felling series and particulars of coupes	Area in acres	Approximate quantity to be supplied	Distance from the coupes to the place of supply
		A.—For supply to Hunsur Barns.			
Hunsur Range.	Veeranhosahalli ..	Karekatte Fuel Felling series coupe of 1937-38	104	1,000 tons	16 miles from Hunsur.

	Do ..	Plantation area of 1937-38.	73 15		6 miles from Periyapatna.

Rate should be quoted per unit of ton of net weight accepted by the Mysore Tobacco Company, Limited. 68 c.ft. of stacked firewood will be taken as one ton.

6. The successful tenderer or tenderers are required to enter into an agreement with the District Forest Officer within three days of the intimation given to him or them binding himself or themselves to observe the following conditions, in default of which the contract is liable to be cancelled and the earnest money forfeited to Government. In fulfilment of the terms of the contract, he or they shall deposit in the Government Savings Bank account a sum of Rs. 200 in the case of Hunsur and Rs. 100 in the case of Periyapatna pledged to the District Forest Officer, Mysore District. This amount is liable to be forfeited to Government for the breach of any or all the conditions of agreement and the contract cancelled.

7. The earnest money of the successful tenderer will be retained as security for the fulfilment of the terms of the contract after the bond is executed and of others returned to the parties concerned.

Conditions.

(*a*) The contractor shall fell fuel within the limits of the areas noted in para 5 above.

(*b*) Dindiga and other hard kinds of firewood are generally accepted by the Mysore Tobacco Company, Limited.

(*c*) The contractor shall not enter the forest for felling and collecting firewood without a permit in this behalf granted by the Range Officer, Hunsur Range.

(*d*) All felled firewood should be cut into billets of the following sizes. The fuel billets should not be longer than 2½ feet and not more than 8 inches in diameter. The billets should as far as possible be straight. Billets of above eight inches in diameter should be split up. Stacks on measurement basis will be built at the Barns or other places to be fixed by the Tobacco Company by the contractor himself at his own cost. Sixty-eight stacked c.ft. will be taken as one ton. The stacks must be without voids; and payment will be made on deliveries made to and accepted by the Mysore Tobacco Company, Limited. Firewood should ordinarily be stacked in lots of 10 tons each at the places shown by the Mysore Tobacco Company, Limited and delivered to them.

(*e*) Stumps in the coupes should be coppiced.

(*f*) Fuel should be carted to the places direct to be fixed by the Mysore Tobacco Company, Limited.

(*g*) In case of disputes regarding the greenage of firewood, the decision of the District Forest Officer is final. Deduction varying 10 to 20 per cent will be made in the case of supplies of green firewood. The contract is liable to be cancelled for persistent supply of green or soft fuel.

(*h*) The Mysore Tobacco Company, Limited will take delivery of firewood and issue receipts for the quantities received by them.

(*i*) Payment will be made by the District Forest Officer, Mysore or the Range Officer, Hunsur on production of receipts issued by the Mysore Tobacco Company, Limited, at the contracted rates for the net quantities accepted by the said Company.

(*j*) The contractor shall begin fellings within three days from the date of agreement and complete the delivery of half the quantity in each case to the Mysore Tobacco Company, Limited, by the end of August 1937. The other half should be supplied to the Mysore Tobacco Company, Limited, by the end of September 1937. The quantity of firewood to be supplied to the Company in each week will be fixed by the District Forest Officer and entered in the agreement.

(*k*) The Chief Conservator of Forests in Mysore shall be the final authority in all matters of dispute regarding this contract.

(*l*) The contractor shall not fell trees of reserved kinds, fruit trees or trees bearing Minor Forest Produce. He shall not also cut trees marked as standards and seedlings and saplings under one foot in girth at the base.

(*m*) He shall agree to and abide by the rules of the Department as regards the kindling of fires and hold himself responsible for any offence committed by him or his agents, employees, workmen, etc.

(*n*) The earnest money will be returned in full three months after the expiry of the contract period if the whole or any part thereof is not forfeited to Government on account of the violation of any of the terms of the agreement.

(*o*) All rejected firewood will be given over to the contractor after recovering from him one rupee and eight annas a ton. If so desired, the rejected firewood will be auctioned departmentally and the sale proceeds given over to the contractor after recovering from him one rupee and eight annas a ton as seigniorage.

(*p*) The quantity of firewood to be supplied from each coupe is subject to alteration or stoppage without notice.

(*q*) If the contract agreement is not executed within three days of the intimation to the acceptance of the tender or if the supply of firewood is not commenced within three days from the date of agreement or if the quantity fixed for each week is not supplied,

the District Forest Officer will have power to cancel the contract, forfeit the deposit to Government and make other arrangements for the supply of firewood; and the contractor will have no claim for any compensation in the event of such cancellation. In the event of such cancellation, any firewood that may be lying in the coupes cut and billetted by the contractor shall be entirely at the disposal of the Forest Department; and the contractor will not be entitled to any cutting, billetting or other charges in respect of such firewood.
